Development and Peace: Share Lent

Share Lent Pilgrimage:

Working to end inequality in Paraguay

This week our pilgrimage travels to Paraguay where we meet Liz Benitez.

Her country is one where 1% of the landowners hold 77% of arable land. Liz's family are part of a peasant movement supported by D & P who work to gain access to land for the poorest farmers in the country, the *campesinos*. They have been threatened by the state and police because of their work. "I just want to live peacefully with my family," she says.

This year consider stretching your Share Lent donation across the whole year with our Share Year-Round monthly giving program. Brochures are available on the D&P display table in the foyer.

The Share Lent collection:- March 13, Solidarity Sunday.
